Recently renovated throughout, the property stands out for its carefully selected premium materials and high-quality finishes. The home also incorporates a range of features designed to maximise comfort and energy efficiency, including a solar energy system, hot and cold air conditioning, water softener, comprehensive alarm system, and private parking for two vehicles with an electric car charging point.

Residents enjoy access to two communal swimming pools surrounded by beautifully maintained gardens, with maintenance included, all within a peaceful and secure environment surrounded by golf courses. An exceptional property for those seeking quality of life, privacy, and a solid investment in one of the Costa del Sol's most promising locations.
