The development consists of a total of 140 3 and to 4 bedroom semi-detached houses with garden and is located in one of the most sought after areas of the Costa del Sol, Mijas Costa.

The houses have 3 or 4 bedrooms and 3 bathrooms and offer their residents a cosy and comfortable space, ideal for relaxation and a break from the daily routine. Their modern architecture together with top quality finishes guarantee maximum comfort and tranquillity. The open-plan, fully equipped kitchens are modern and elegant in design, with large, well-planned living areas. High-quality materials and impeccable finishes not only guarantee durability but also add sophistication, making each kitchen the heart of the home. The homes' favourable southern exposure maximises the use of natural light, allowing them to enjoy excellent lighting throughout the day, creating bright and welcoming interiors.

The private gardens have been designed to enjoy the Mediterranean climate at any time of the day. They are the ideal place to relax and enjoy unforgettable sunsets in a dreamlike setting, creating a true outdoor oasis. In addition, the communal areas, full of abundant vegetation, merge harmoniously with the terraces and gardens of the houses becoming their natural extension.

In the common areas of the development, residents will be able to enjoy swimming pools where they can take a cool bath after a hot summer day. In addition, they will have at their disposal a social club, a gym and a coworking area, which are ideal places to work or socialise.

The estate has a privileged location, close to a large Mediterranean forest with lush pine trees. It is easy to reach Málaga Airport, which is only a 20-minute drive away. Residents have easy access to beaches and the promenade. Golf enthusiasts will be delighted by the proximity of renowned golf courses.

With its excellent location and amenities and is undoubtedly the best option for those looking for a great project for the future!
