The ground floor of the property features a hallway, a large, contemporary, fully equipped kitchen with pantry, an open dining/breakfast room with sitting area and a fireplace. A guest WC also features on this level. Beyond the sitting room is a double bedroom with air conditioning and a luxurious ensuite bathroom which has underfloor heating, a free standing bath tub and a grand walk-in shower.

A staircase up from the hallway leads to a further 3 large double bedrooms, (each with air conditioning), currently used for guests. The room has both air conditioning and a ceiling fan and there is the option to add an American style kitchen.

Below the studio is a considerable garage (48m²) which is currently being used as a workshop, storage and a laundry room. However, this could be converted into another studio guest suite.

The building sits on an enclosed plot of 877m² with access through automatic electric gates to a substantial driveway which has ample parking space for several vehicles. The grounds comprise of a private 8m x 4m tiled swimming pool, separate bar, dining area and an outdoor kitchen/BBQ.
