Upper Level – Privacy & Elevated Views

A graceful curved staircase leads to the upper floor, designed as a gallery-style level overlooking the grand entrance hall.

Here you will find three spacious en-suite bedrooms, each with terrace. The master suite boasts a walk-in wardrobe, while two of the bedrooms enjoy lovely sea views.

From the terrace on this level, a metal staircase leads to the rooftop, where solar potential meets practicality—already equipped with hot water panels and offering additional space for further installations.
