Torre del Mar – Casa con Alma

This house is truly unique – different from anything else you will find in Torre del Mar. An individual villa of 260 m² set on a 505 m² plot, located in one of the town's most exclusive residential areas, just ten minutes walking from the sea, the promenade and all daily amenities.

From the moment you step through the private gate, a sense of serenity surrounds you. The gardens are a world of their own: an ancient olive tree as guardian, Buddha accents creating a spiritual calm, shaded terraces and intimate lounge corners that invite pure relaxation. At the heart lies a 6×4 m pool with jacuzzi, embraced by natural greenery and the soothing shade of mature trees – a rare oasis in this privileged location.

The villa welcomes you with a bright entrance hall and a separate guest toilet, before unfolding into elegant living spaces bathed in natural light. The lounge and dining area, with its inviting fireplace and graceful arched windows has views onto the beautiful gardens. The modern kitchen, finished with ceramic wood-look flooring, combines contemporary style with practical ease of maintenance.

Upstairs, the night area offers three spacious bedrooms, including a tranquil master suite with en-suite bathroom. A second guest room with its own full bathroom, and a third bedroom currently used as an office, ensure comfort for family and visitors. An adjoining room – now used as dressing – can easily be converted into a fourth bedroom or private retreat.

On the lower level, the villa reveals a vast garage with capacity for 3–4 cars, offering space not only for vehicles but also for storage or the creation of additional guest accommodation. Here you also find the independent water deposit system: the property is directly connected to the municipal network, but benefits from its own deposito to ensure a constant, reliable flow. The entire garden is equipped with an automatic electrical irrigation system with timer, making maintenance effortless.
