TRADITIONAL CORTIJO IN CAMPANILLAS – HIGH-POTENTIAL RESIDENTIAL & TOURISM PROJECT

Detached house in traditional Málaga style located in Campanillas, just 15 minutes from Málaga city center, set in a *sierra* and natural environment with excellent access to main roads, services, and the coast.

The property offers approximately 400–435 m² of built area on an urban plot of around 3,500 m². It is distributed over two floors, along with auxiliary buildings, providing generous space and multiple possibilities for redistribution or development.

The house features between 6 and 10 bedrooms, 3 bathrooms, a spacious living room with fireplace, and several additional rooms that can be adapted as bedrooms, office space, or leisure areas. It retains valuable original features such as wooden ceilings, characteristic of traditional Málaga architecture.

Outside, the property includes a large garden with fruit trees, a rear patio, terrace, balcony, and private parking area.

Originally built in the early 20th century and partially renovated, the house is in good general condition, while offering excellent opportunities for upgrading, expansion, or value enhancement, making it ideal both as a residence and as an investment.

This property is perfectly suited for various projects:

- Family home with extensive outdoor space
- Rural tourism or holiday rentals
- Bed & Breakfast or boutique hotel
- Conversion into multiple apartments

Additionally, there is the possibility to acquire a contiguous rustic hillside plot of approximately 68,000 m², representing a significant added value. This land includes features such as a pool/reservoir (*alberca*) and a private well, and offers great potential for agricultural, ecological, or tourism-related development (rural lodges, yurts, tiny houses, or unique accommodation concepts).

Its proximity to the Parque Tecnológico de Andalucía (PTA), home to numerous international companies, ensures strong rental demand and significantly enhances investment appeal.

Located in a consolidated residential area, the property combines privacy, nature, and proximity to the city.
