This unique residential development draws inspiration from tropical resorts, where water, greenery, and outdoor spaces take center stage. Located in the picturesque La Cala de Mijas, it offers the perfect blend of modern living, harmony with nature, and top-level comfort.

The project reinterprets the elegance of Brazilian resorts with a modern approach – featuring clean architectural lines, spacious terraces, and a distinctive green façade. The architecture is not only visually striking but also ensures optimal sunlight all year round, combining beauty with functionality.

Exceptional location and breathtaking views: Set above the Calanova Golf Course, the development offers spectacular views of the Mediterranean coast. Its proximity to nature, sandy beaches, crystal-clear coves, and the nearby Sierra de Mijas mountains creates a peaceful setting rich in landscape diversity.

La Cala de Mijas has preserved its traditional fishing village charm, while evolving into a vibrant Mediterranean town with a wide range of dining, cultural, and leisure options. Thanks to its excellent location, residents can reach Malaga International Airport in just 30 minutes and enjoy easy access to Marbella and Fuengirola.

This project is a haven of peace for those who value connection with nature. Hiking and horse-riding trails, pine forests, and coastal promenades invite you to discover the area's beauty every day. Start your morning with a walk, have lunch at a local restaurant, and end the day on your private terrace watching the sunset.

Exclusive amenities:

- * Pool surrounded by lush vegetation – like a natural hillside lagoon
- * Spacious sun deck for relaxation and sunbathing
- * Modern, air-conditioned coworking area and fully equipped gym
- * Private gardens, solariums, and expansive terraces in every residence

The Calanova Golf Course lies at the foot of the development – just steps from your home. Its 18-hole course, designed to professional standards, offers the perfect challenge for golf lovers without leaving the neighborhood.
