The project comprises 218 apartments distributed across seven buildings arranged in an open C-shape, with floors ranging from ground floor to penthouses on the sixth floor. Its contemporary, functional design, open to natural light, is inspired by Mediterranean architecture and has been designed with efficiency and comfort in mind.

The one-, two-, and three-bedroom apartments have been designed to make the most of every square meter, with living spaces ranging from 73 m² to over 180 m². You'll enjoy spacious, open-plan living areas, state-of-the-art climate control, and top-of-the-line finishes. Among these are the elegant, large-format porcelain tiles used both indoors and on terraces, which provide visual continuity and a sophisticated style throughout the home.

Many of the apartments offer the option of installing a private pool on the terrace, transforming each home into a small oasis of well-being.

Common areas:

Outdoor swimming pool for adults with sunbathing area, beach-style access, and saltwater chlorination

Children's swimming pool

Indoor heated and equipped gym

Sauna and changing rooms

Coworking space

Communal laundry room

Large landscaped areas with low-water-consumption plants
