Málaga Airport is conveniently reachable in just 35 minutes. Whether you're looking for a luxurious primary residence, a vacation home, or a strong investment this one can do it all.

underfloor heating throughout, individual air conditioning in each room via Airzone.

This exceptional property also includes two large underground parking spaces and a spacious private storage room. Classified in Marbella but 7 minutes above LA CANADA with 24/7 security, this penthouse offers access to in my opinion one of the best facilities on site which includes fitness and spa center, featuring a heated indoor pool spa with sauna, Turkish bath, ice bath, and a co-working space for remote professionals. All of these facilities are included in the community fee.
