It is an idyllic place, surrounded by nature and ideal for golf lovers, only 20-30 minutes from the best beaches in Málaga and 30 minutes from the airport.

The plot has a proposed planning project with the following characteristics:

Hotel-Apartments: Small groups distributed around a leafy garden, with ponds and streams. The central building will have a reception, lounges, administration and restaurant-cafeteria. Next to this building is the pool, that in turn will be equipped with its own bar-club service.

The hotel will comprise: 26 double rooms with bathroom and kitchenette; 56 apartments with one bedroom, living room, kitchenette and a bathroom; and 28 apartments with two bedrooms, living room, kitchenette and bathroom. This means a minimum accommodation of 276 places, although 350 seats can be easily accommodated.

In the northern section, tourism will be enhanced with the inclusion of a bullring and a shopping centre. The whole area will be equipped with parking spaces both at ground level and underground.
