The development of exclusive modern and sustainable homes available in the best location in Marbella.

Golden Mile is a charming area in Marbella that is home to some of the city's most famous and iconic landmarks, including the Marbella Club Hotel, Puente Romano Resort, and the beach.

This 28-unit gated community is made up of luxurious 3-4 bedroom units over four blocks. Water, Stone, Wood, and Sand are the architectural elements that give the community its unique architectural style.

The new standard of luxury living is about sustainability, comfort, style, and well-being. The modern and luxurious design apartments built to the highest quality. Balance of warm tones and ample natural light, open-plan living spaces, world renewed brand kitchens.

Ground floor apartments with private garden, extensive terraces, first floor apartments, first floor semi-duplex-penthouses and double-sized duplex penthouses both with a large terrace and solarium, set in a private gated community with 24/7 surveillance that sets the standard in terms of security. These residences are designed to provide contemporary living in a private gated community, with access to resort amenities.

All the residences feature cutting-edge home automation systems that provide seamless connectivity and seamless control over every aspect of your home. All that to provide our residents with the best possible home experience.

Units include two underground parking spaces and a storage room. There's also a pre-installation for charging electric cars.

There is a beautiful, large outdoor saltwater pool set in the gardens, along with a spa with an indoor pool with waterfall and a gym. There is also a yoga room and saunas. This place is quiet and serene, and its youngest residents will enjoy their own kids club, pool, and access to the resort's other amenities and privileges. It's a perfect place for families to come and relax after a busy day.
